ABOUT US

ABOUT US

The radio station at the University of California, Santa Barbara, KCSB-FM, is licensed by the Federal Communications Commission to the Regents of the University of California. KCSB is funded primarily by the students at UCSB and the community at large.

As a non-commercial, educational FM station broadcasting for the public interest, KCSB enters into no commercial contracts which allow access to the airwaves, and it strives to provide programming substantially different from that carried by commercial broadcast media. It is also designed to be educational for both programmers and listeners. UCSB students and other programmers are provided an opportunity to learn the fundamentals of radio broadcasting.

KCSB IS WITH YOU

**WE ARE COMMITTED TO CONTINUING TO PROVIDE COVERAGE AND
SUPPORT FOR OUR COMMUNITY DURING THIS NATIONAL EMERGENCY**

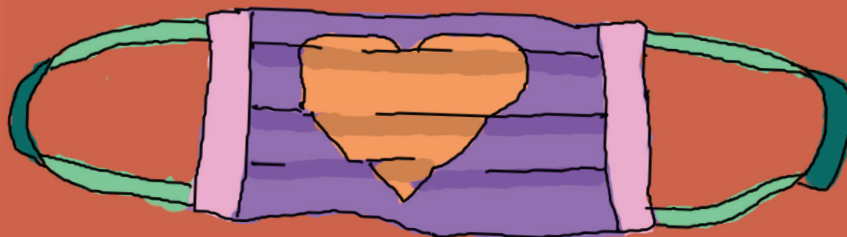

To our KCSB Community:

In an effort to comply with federal, state and local coronavirus precautions and ensure the safety and health of our programmers, KCSB-FM has shifted to a mostly prerecorded schedule. Listeners may hear previously aired content that includes call-ins and day, date, and time references that do not reflect present time. KCSB-FM has implemented new training so that our hosts are able to program remotely, via live stream or pre-recorded shows.

We hope that you'll continue to rely on us for support during these times of uncertainty. While KCSB-FM is committed to the safety and health of our hosts, we are still devoted to our role as a non-commercial, educational and independent radio station. We hope to be a source for creativity and companionship to our community. We encourage you to listen to us on the dial (91.9 FM in Santa Barbara) or via web (kcsb.org) while you #StayAtHome and practice social distancing. You will find a wide variety of quality programming produced from our diverse community of DJ'S ranging from Hip-Hop, Jazz, World Music, Gospel and much more!

Furthermore, KCSB-FM will continue to provide updates about the fluidly changing COVID-19 scenario. Information will be primarily released on our website as well as other social media platforms. Feel free to reach out to us if you have any questions, concerns, ideas, or tips via kcsb.org/contact or email us at dmc@kcsb.org.

For updates and more information about COVID-19, please visit www.cdc.gov. For local Santa Barbara County updates, visit publichealthSBC.org.

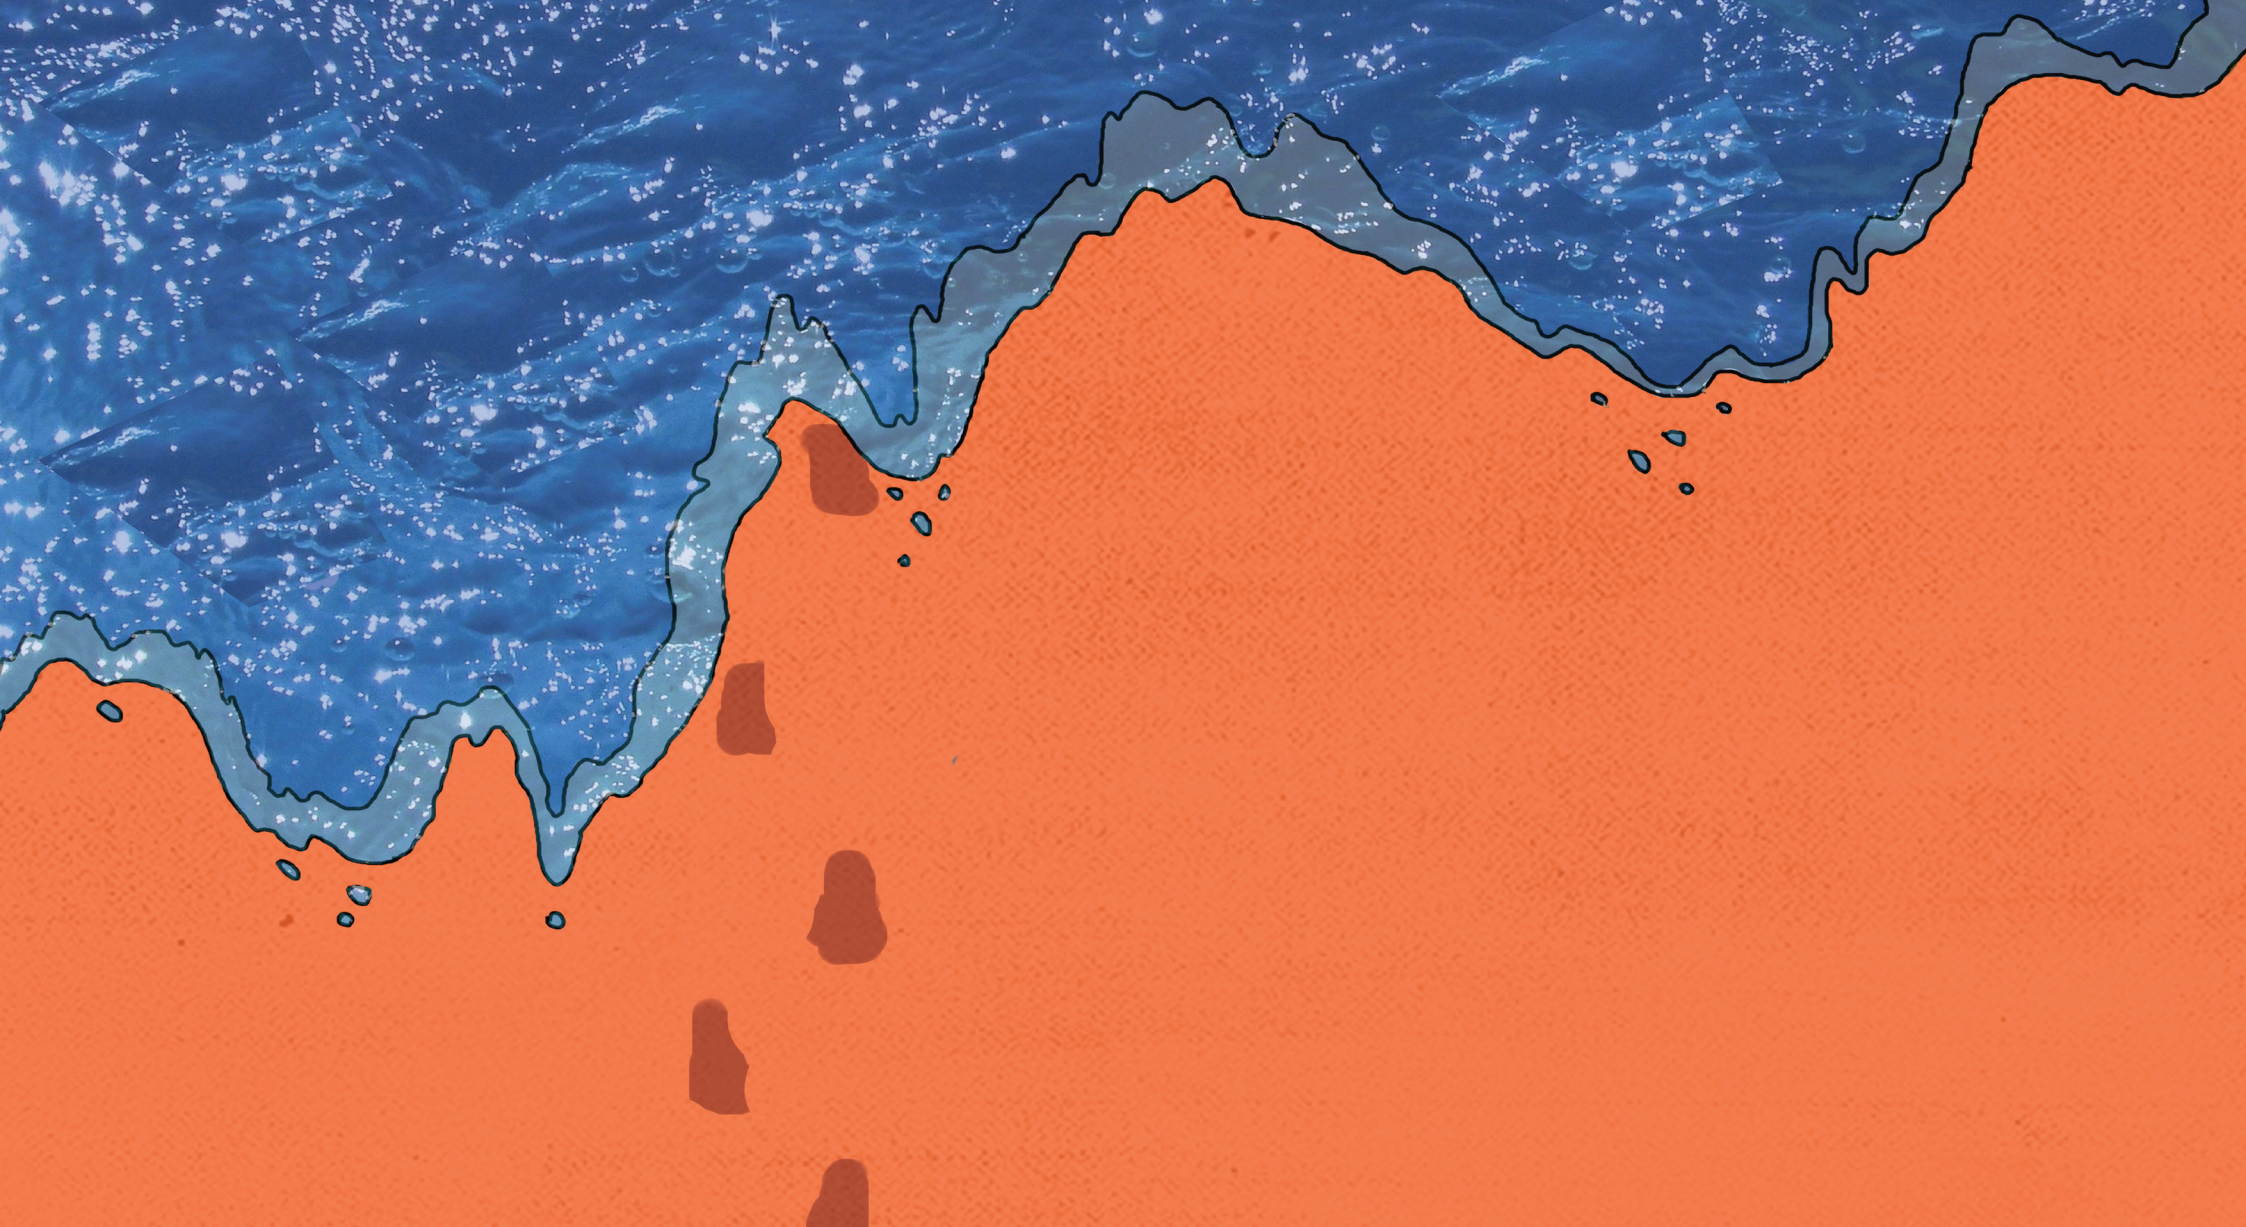

KCSB WELCOMES BACK A PHENOMENAL ALUMNI LINEUP IN LIGHT OF REMOTE PROGRAMMING

In light of COVID-19, our regular in-person programming at KCSB suddenly became impossible to maintain at a station-wide level. With the university campus closed and the world on lockdown, we were forced to reach out to alumni programmers to fill our programming schedule and we were met with an overwhelming response. We at KCSB would like to extend our enormous thanks to these individuals who have stepped forward to support our station. Listeners can look forward to an incredible number of outstanding past DJs returning to KCSB-FM this quarter, broadcasting remotely all around the world from Peru to Japan to right here-in Santa Barbara.

Check out some of the Gaucho-/Community-run Alumni shows you know and love returning to your antennae this quarter!
