BUSINESS TEL: (805) 893-3921  
DJ VOICEMAIL: (805) 253-3091

# about us

The radio station at the University of California, Santa Barbara, KCSB-FM, is licensed by the Federal Communications Commission to the Regents of the University of California. KCSB is funded primarily by the students at UCSB and the community at large.

As a non-commercial, educational FM station broadcasting for the public interest, KCSB enters into no commercial contracts which allow access to the airwaves, and it strives to provide programming substantially different from that carried by commercial broadcast media. It is also designed to be educational for both programmers and listeners. UCSB students and other programmers are provided an opportunity to learn the fundamentals of radio broadcasting.

Everyone here at KCSB has worked together to adapt to a new virtual environment, requiring difficult but necessary changes, such as developing remote training programs for DJs, publicity ambassadors, sports volunteers, news volunteers, and KJUCers, as well as remote call-ins to the station through our new DJ voicemail box—call in and leave us a message at (805) 253-3091!
